CEO MESSAGE

شركة اس اس تي انفرا بروجكتس العربية المحدودة
SST INFRAPROJECTS ARABIA LIMITED CO. LLC

CEO MESSAGE

As the CEO of SST Infraprojects Arabia Limited Company LLC, it gives me immense pride to introduce our company a trusted partner and premier subcontractor in Saudi Arabia's infrastructure, energy, telecom, and logistics sectors. Over the years, we have dedicated ourselves to empowering subcontractors and supplying high-quality industrial equipment that empowers our clients' projects to succeed.

At SST, our mission is simple yet powerful: to serve as a one-stop-shop that streamlines project execution by bridging the gaps between opportunity, manpower, and materials. We carefully source top-tier industrial equipment and assemble skilled teams to ensure our partners can focus on what matters most delivering excellence.

We believe our strength lies in our collaborative philosophy. By understanding each project's nuances and challenges, we tailor our services whether it's heavy machinery supply, worker deployment, or subcontract facilitation to match client needs precisely. Our reputation hinges on reliability, quality, and efficiency, and every member of the SST family shares in that commitment.

As Saudi Arabia's infrastructure landscape rapidly evolves, we remain at the forefront adapting, innovating, and scaling to serve both local and international stakeholders. We are excited for what lies ahead, and equally committed to ethical standards, safety, and sustainability in all our operations.

I extend my heartfelt thanks to our clients, partners, and dedicated people whose trust and hard work have defined SST's journey. Together, we will continue shaping the future of infrastructure and industry across the Kingdom and beyond.

COMPANY OVERVIEW

شركة اس اس تي انفرا بروجكتس العربية المحدودة
SST INFRAPROJECTS ARABIA LIMITED CO. LLC

Company Overview

SST Infraprojects Arabia Limited Co. LLC is a dynamic and forward-thinking infrastructure and industrial services company headquartered in the Kingdom of Saudi Arabia. SST was established in 2023 with a robust presence in the region and a track record of reliable service delivery, SST serves as a **key enabler for contractors, EPC companies, and industrial clients** across sectors such as **oil & gas, energy, infrastructure, logistics, and telecommunications**.

Our Identity

Formerly known as **Awatif Mohammad Al Mdebari Contracting Est.**, SST has evolved into a more agile, specialized, and service-focused entity. Our rebranding reflects not just a change in name, but a renewed commitment to quality, operational excellence, and client-focused innovation. Despite our growth, we retain the same leadership and experienced team that built the foundation of our reputation in the Saudi market.

Our Core Services

We position ourselves as a **"One-Stop Partner"** by offering a full spectrum of industrial support services:

1. Heavy Equipment Rental & Supply

SST owns and supplies a fleet of well-maintained heavy machinery such as cranes, forklifts, boom loaders, backhoe loaders, man lifts, trailers, and other transport equipment essential for industrial operations.

2. Subcontracting Solutions

We support EPC contractors and project owners by managing specialized subcontracting scopes with efficiency, safety, and transparency. This includes civil, mechanical, electrical, and pipeline works.

3. Material & Industrial Equipment Trading

Our trading division sources and supplies industrial consumables, safety gear (PPE), hand tools, welding equipment, cables, pipes, fittings,

شركة اس اس تي انفرا بروجكتس العربية المحدودة
SST INFRAPROJECTS ARABIA LIMITED CO. LLC

and general construction materials—ensuring quality and availability at competitive pricing.

4. Logistics & Site Support Services

SST also provides operational logistics including site mobilization, transportation, container office rentals, portable toilets, and camp management solutions.

Our Strengths

- A **diversified portfolio** that supports all phases of a project—from mobilization to execution.
- Strong **regional presence and logistics network** across major industrial zones in KSA.
- A proven **track record with major contractors** and multinational companies.
- Commitment to **HSE standards**, quality control, and **timely delivery**.

Industries We Serve

- **Oil & Gas**
- **Petrochemical Plants**
- **Power & Energy**
- **Telecom Infrastructure**
- **Construction & Real Estate**
- **Water & Wastewater**
- **Mining and Heavy Industries**

Vision

To become the **most trusted industrial support service provider** in Saudi Arabia by building long-term partnerships and delivering world-class operational excellence.

Mission

To provide **integrated, reliable, and cost-effective solutions** that empower clients to achieve their project goals while upholding the highest standards of professionalism and safety.

شركة اس اس تي انفرا بروجكتس العربية المحدودة
SST INFRAPROJECTS ARABIA LIMITED CO. LLC

Licensing & Certifications

SST Infraprojects Arabia is fully licensed under Saudi Arabia’s commercial and municipal authorities and holds all necessary regulatory approvals to operate across industrial sectors.

Our Capabilities

Our Vision

At **SST Infraprojects Arabia Limited Co. LLC**, our vision is to **safely accomplish every challenge and task within the stipulated timeframe, without compromising on quality**, ensuring full client satisfaction at every stage of project execution.

Our Core Values

SST is built on a strong foundation of integrity, commitment, and professionalism. We believe in **earning our clients' trust and satisfaction** by consistently upholding the following values:

- **Swift Mobilization and Timely Completion**
We commit to rapid resource mobilization and adhere to aggressive project timelines to meet our clients' strategic goals.
- **Clear and Continuous Communication**
We ensure transparency and build confidence through proactive, consistent, and timely communication with our clients and partners.
- **Investment in Technical Expertise**
We continually develop and deploy technically skilled personnel, equipped with the knowledge and tools to deliver superior results.
- **Commitment to Quality**
We uphold **international quality standards** and run a **robust internal training program** to guarantee top-tier service delivery across all divisions.
- **Environmental, Health & Safety Excellence**
We strictly adhere to EHS protocols, with regular internal audits and surveillance to ensure the safety of our people and the sustainability of our operations.

- **Transparency and Accountability**

We believe in ethical business practices and maintain full transparency with clients, partners, and stakeholders.

Our Presence Across the Kingdom

With a solid track record of serving major clients across Saudi Arabia, **SST Infraprojects Arabia Limited Co. LLC** has established a **strong presence in key industrial and urban hubs throughout the Kingdom**. Our regional coverage and logistical strength allow us to **mobilize quickly** for urgent and remote-area projects, often within tight timeframes.

SST specializes in **emergency, time-critical, and fast-track projects**, where reliability, safety, and speed are essential. Our agile operational model and nationwide reach ensure that we are ready to deploy resources **anywhere in the Kingdom** from metropolitan cities to remote desert sites.

ROBUST MOBILIZATION

شركة اس اس تي انفرا بروجكتس العربية المحدودة
SST INFRAPROJECTS ARABIA LIMITED CO. LLC

Robust Mobilization Capability

At **SST Infraprojects Arabia Limited Co. LLC**, we take pride in our **exceptional ability to mobilize resources swiftly and efficiently** upon receiving the Notice to Proceed (NTP). Our mobilization operations typically commence **within 7 days** of NTP issuance and include the following critical activities:

- Development and execution of a comprehensive **site layout plan**
- **Site surveying** and establishment of precise survey control points
- Construction of **site fencing** and **temporary access roads**
- Deployment of temporary **utilities infrastructure** including water, power, and septic systems

We maintain **complete self-sufficiency** in site establishment. Our mobilization resources include:

- **Fully furnished porta cabins** for site offices, meeting rooms, client and consultant offices
- Dedicated **site stores, workshops, and equipment yards**
- On-site **mosques**, worker amenities, and welfare facilities
- A wide fleet of **owned heavy equipment and logistics support vehicles**

SST has built a **trusted reputation** for supporting **fast-track project mobilizations** across Saudi Arabia. Our ability to independently deploy and activate complete site operations within extremely short timeframes has made us a **preferred partner** for many **leading international contractors and clients** operating in the Kingdom.

“We’re not just mobilization-ready — we lead the way.

SST is ready to support your next project, anywhere in Saudi Arabia.”

HEALTH, SAFETY & ENVIRONMENT

شركة اس اس تي انفرا بروجكتس العربية المحدودة
SST INFRAPROJECTS ARABIA LIMITED CO. LLC

Health, Safety & Environment (HSE) Commitment

At SST Infraprojects Arabia Limited Co. LLC, the implementation of a comprehensive **Health, Safety, and Environment (HSE) Management System** is a core part of our operational philosophy across all projects. Our foremost priority is to protect the **well-being of our employees, clients, subcontractors, and the surrounding communities**, while actively preserving the environment.

We are committed to conducting all our activities with a modern, systematic approach focused on **hazard elimination, risk segregation, and proactive safety measures**—in full alignment with SST’s HSE Policy and international best practices.

Our HSE Management Principles

To ensure a safe and compliant work environment, SST adheres to the following pillars of enhanced safety management:

- **Strong Safety Policy** embedded into all levels of our organization
- **Clear Safety Accountability** across line management and supervisory roles
- **Visible Management Commitment** to safety and continuous improvement
- **Ongoing Motivation & Open Communication** with all stakeholders on HSE matters
- **Defined Safety Objectives and Realistic Performance Targets**
- **Robust Policies and Standard Operating Procedures (SOPs)**
- **Thorough Incident & Accident Investigations** with corrective action tracking
- **Effective Safety Monitoring and Internal Auditing Programs**
- **Deployment of Qualified and Competent HSE Professionals**

Our goal is not only compliance but **excellence in safety and sustainability**. By embedding HSE into every aspect of our operations, SST ensures the protection of human life, project assets, and the environment—delivering safe outcomes that meet client expectations and regulatory standards.

“At SST, safety is not a priority—it’s a core value.”

COMPANY SAFETY POLICY

SST Infraprojects Arabia Limited Co. LLC is committed to providing a safe and healthy workplace for all employees, subcontractors, and visitors. We believe that injuries, illnesses, and environmental damage are preventable. Our goal is to implement an effective Health, Safety, and Environment (HSE) management system that proactively eliminates workplace hazards and promotes a culture of safety across all SST operations.

SST will ensure a secure working environment through continuous monitoring, risk assessments, and adherence to international HSE standards. Our management team is fully dedicated to protecting the health and safety of all personnel involved in our projects—whether directly or indirectly.

We do not compromise our values or HSE principles for business gain. We work with transparency and accountability to deliver on our business objectives while supporting the well-being of our workforce and the environment.

Management Commitment

SST management is accountable for preventing workplace incidents and ensuring that all levels of the organization prioritize safety. Management will:

- Encourage and implement employee safety suggestions.
- Communicate regularly on HSE matters.
- Monitor performance and compliance through structured audits and inspections.
- Maintain a robust health and safety program aligned with local laws and international best practices.

Employee Responsibility

All employees and subcontractors are expected to actively participate in the safety process. This includes:

- Reporting hazards and unsafe behaviors.
- Following safety instructions and using proper PPE.
- Avoiding shortcuts that compromise safety.
- Participating in safety drills, toolbox talks, and committee reviews.

Environmental Policy

SST Infraprojects Arabia Co. LLC is committed to the protection and enhancement of the environment. It is our policy to continually improve the environmental performance of our operations and activities. Environmental performance is a key corporate objective and is pursued by implementing and maintaining an Environmental Management System (EMS) in line with international standards.

Our Environmental Objectives

SST aims to:

- Continuously strive for improvement in environmental performance.
- Actively minimize environmental impacts related to all operational activities.
- Promote the conservation of natural resources and reduction of waste.
- Prevent pollution by minimizing the release of harmful emissions and substances into the environment.
- Ensure compliance with all applicable environmental legislation, regulations, and industry standards.
- Where such regulations do not exist, apply responsible environmental practices aligned with international best practices.
- Set measurable environmental targets and review them periodically to ensure continuous improvement.
- Educate and train employees and subcontractors on environmental responsibilities and awareness.
- Promote sustainability through waste reduction, energy efficiency, and recycling efforts.
- Ensure environmental considerations are integrated into project planning, execution, and completion.

Compliance & Implementation

SST shall achieve these environmental goals by operating in accordance with ISO 14001:2015 standards, and by:

- Conducting regular risk assessments and environmental reviews.
- Implementing environmental training and communication programs.
- Encouraging employee participation in sustainable and responsible practices.
- Maintaining documentation and records to demonstrate compliance and performance.

SST Infra Projects Arabia Co. LLC will engage in open consultation with clients, stakeholders, and regulatory bodies to ensure responsible environmental stewardship and transparent communication.

Environmental protection is not just a policy—it is a core value embedded in every aspect of our operations.

QUALITY MANAGEMENT SYSTEM

شركة اس اس تي انفرا بروجكتس العربية المحدودة
SST INFRAPROJECTS ARABIA LIMITED CO. LLC

Quality Management System (QMS) Overview

SST Infraprojects Arabia Limited Co. LLC is a leading Civil, Mechanical, and Electrical construction company operating across the Kingdom of Saudi Arabia. With a strong and growing reputation for excellence, SST is committed to delivering projects that meet and exceed client expectations through a **robust and proactive Quality Management System (QMS)**.

Our QMS is designed not just to meet, but to exceed contractual and regulatory requirements across the full project lifecycle—from engineering and procurement to construction, commissioning, and close-out. We pride ourselves on a **customer-focused approach**, leveraging global best practices, efficient project execution, and continuous process improvement.

Scope of QMS

The scope of SST's Quality Management System includes:

- Engineering, Procurement, and Construction (EPC) services
- General Civil, Mechanical, and Electrical Works
- Industrial and Infrastructure Projects
- Specialized Camp Facilities and Office Setup Solutions
- Project and Site Management Services

Our QMS aligns with **ISO 9001:2015 standards** and provides the structural framework to maintain consistency, control risks, and drive performance.

Our Quality Philosophy

At SST, **quality is not a department—it is a collective responsibility and a culture**. Our QMS is a living system built to adapt and evolve with changing project needs, lessons learned, and stakeholder expectations.

“When we satisfy client requirements, we achieve Quality.”

We believe in:

- Delivering products and services that consistently meet client specifications.
- Achieving quality outcomes within budget and schedule constraints.

شركة اس اس تي انفرا بروجكتس العربية المحدودة
SST INFRAPROJECTS ARABIA LIMITED CO. LLC

- Upholding safety, environmental stewardship, and regulatory compliance as integral to quality.

QMS Direction and Implementation

The Quality Management System at SST is guided by these core actions:

- **Establishing clear quality policies and measurable objectives**
- **Allocating adequate resources and competent personnel**
- **Regularly reviewing performance and process effectiveness**
- **Fostering a culture of continuous improvement**

QMS tools include Quality Plans, SOPs, Method Statements, Work Instructions, Inspection and Test Plans (ITPs), and internal audit frameworks—ensuring consistency, traceability, and control at every stage of execution.

Compliance & Certification

Our QMS is assessed and certified by an independent, accredited certification body in line with **ISO 9001:2015** requirements. This certification is a testament to our commitment to quality and is actively communicated to our clients, partners, and suppliers as part of our corporate credentials.

Our Quality Policy

"We, the management and employees of SST Infra Projects Arabia Co. LLC, are fully committed to providing our clients with the highest standard of services and deliverables. We believe in continuous improvement and total quality culture across all levels of our organization."

SST is committed to:

- Meeting all contractual requirements, on time and within budget
- Employing properly trained and motivated personnel
- Continuously improving our processes, services, and systems
- Ensuring individual accountability and collective ownership of quality
- Promoting a safe, healthy, and performance-driven working environment

Our Quality Management System is not static. It evolves with the insights we gain, the feedback we receive, and the strategic goals we pursue. At SST, **quality is a journey of excellence, innovation, and sustained customer satisfaction.**

QUALITY POLICY

"We, the management and employees of SST Infraprojects Arabia Limited Co. LLC, are fully committed to providing our clients with the products and services they expect—and deserve. We strive to improve continuously to enhance the quality of our processes and deliverables through a strong culture of quality ownership."

The Quality Management System (QMS) at SST is designed to ensure that the execution of our services and the quality of our deliverables are consistently aligned with client expectations and international standards. Our QMS is implemented and maintained across all project phases, ensuring traceability, control, and continuous improvement.

Our Commitment

SST is committed to applying a systematic and effective Quality Management System throughout its operations to:

- Consistently meet contract specifications within the agreed scope, budget, and schedule.
- Provide qualified and trained personnel to execute all work in compliance with documented procedures.
- Actively pursue opportunities to improve systems and services through regular performance reviews and audits.
- Ensure all personnel are fully aware of their responsibilities and their role in delivering quality to our clients.
- Promote a safe, healthy, and performance-driven work culture at every level of the organization.

At SST, quality is not just a requirement—it's our identity. We measure success by our clients' satisfaction and our ability to deliver projects that exceed expectations.

شركة اس اس تي انفرا بروجكتس العربية المحدودة
SST INFRAPROJECTS ARABIA LIMITED CO. LLC

أرامكو السعودية
saudi aramco

Saudi Aramco F-Reference No. 0010822

Registration Approval Letter

September 26, 2024

Attention : SST INFRAPROJECT ARABIA LIMITED COMPANY.

CR Number : 2055136357
Supplier Type: Service Provider Only
Country : Saudi Arabia

We are pleased to inform you that SST INFRAPROJECT ARABIA LIMITED COMPANY. is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10113943, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-8950 for Out-of-Kingdom suppliers.

Faisal Hamad Al Dossary, Supervisor
Supplier Registration Unit
Supplier Relationship Management Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:

1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (9COMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com

Subject : Appreciation for Performance and Notification of Prefabrication Completion

Dear Mr. Imran Khan,

Contractor hereby extends its sincere appreciation to SST INFRAPROJECT ARABIA LIMITED CO. LLC (the Subcontractor) for the unwavering support and outstanding performance demonstrated throughout the execution of the contractual scope related to piping prefabrication works.

The Subcontractor's continuous commitment to quality, adherence to schedule, and technical proficiency have been instrumental in ensuring the steady progress of the Project. The professionalism, diligence, and cooperative approach exhibited by the Subcontractor have been highly commendable and have made a valuable contribution to the successful execution of the works.

As the defined scope of prefabrication activities has now been completed in accordance with the contractual requirements, the Contractor hereby formally notifies the Subcontractor that all prefabrication operations at the Subcontractor's yard shall be concluded by 31 July 2025. Following this, the remaining commercial settlement and contract close-out procedures shall be undertaken in due course, in line with the provisions of the Subcontract Agreement.

The Contractor expresses its sincere gratitude for the Subcontractor's exemplary efforts and unwavering dedication throughout the duration of this collaboration. The Contractor looks forward to the possibility of engaging the Subcontractor again on future projects of mutual interest.

Yours faithfully,

Gao Deming
Project Manager
